Subject: Response to Notice of Non-Compliant Amendment
Application 09/769,879
Title: Gravity Balance Frame

Dear Examiner,

This letter is in response to the "Notice of Non-Compliant Amendment (37 CFR 1.121)" sent by your office on 08/18/2005 regarding application no. 09/769,879 entitled, "Gravity Balance Frame," from first named inventor Ma-Chi Chen. The notice from your office indicated that the amendments to the claims were not in compliance due to the following reasons:

- Item B. The listing of claims does not include the text of all pending claims (including withdrawn claims).
- Item C. Each claim has not been provided with the proper status identifier, and as such, the individual status of each claim cannot be identified.
- Item E. Other.

The document currently being submitted, entitled "Amendments to the Claims," is the amendment to the claims for the invention, "Gravity Balance Frame" with all non-compliant components corrected to be in compliance with 37 CFR 1.121. The amendment to the claims for the invention is on pages 1 and 2 included with this cover letter.

Sincerely,

A handwritten signature in black ink, appearing to read "Ma-Chi Chen".

Ma-Chi Chen, Ph.D.
